

## Design Sign-off

Project	Project Description	Date Submitted	Prepared By
Performance Testing Dashboard	Internal tool support performance testing of Validation Service Team in ETI1 Department of RBVH	10/24/2016	Quan Nguyen

*In an effort to help streamline our workflow, The Capstone Team requires an approval on the submitted design available on Docupedia. Before signing, please review the design and make Note of any changes that should be addressed before approval. Some notable factors to take into consideration before approving a design are as follows:*

No.	Items
1.	Prototyping
2.	High level designs
3.	Low level designs
4.	Sitemaps
5.	System Design

*After this document is signed any significant changes of the approved design need to raise change request and approval of change.*

**Approval:**
